Welcome back to another year at St. John's School. We, your PTG Board, are happy to be serving you and welcome any ideas or suggestions you may have. Please note the important information that follows regarding our PTG meetings.

To better serve parents and teachers, the PTG Board decided to have quarterly meetings that would focus on specific grade levels so you can share the time with your child's teacher. There are a couple of times that we will be together as a school for various functions. - January 31, 2007-all parents, School Open House For Catholic Schools Week
- March 1, 2007-all Primary Grade Parents (K-2)

These "Level Meetings" will include a short meeting with the PTG and then time for you to spend with the classroom teachers.
