

# Summer Letter

Dear Parent(s)/Guardian(s):

Summer is here! I cannot believe how incredibly fast the school year zipped by. I want to thank you for your participation and your support during the year. You and your children served as catalysts to make this past school year one tremendous success on all levels from parent involvement to academic achievement. Thank you.

By now, all of you should have registered for the 2008-2009 school year. All of you should have submitted your tuition agreement forms, registration forms, and FACTS (tuition collection) forms. If you have not, you may be running the risk of not having a place for your child upon our return in August. Please make every effort to complete and submit these forms and fees because placement will be provided only to those students who have all their paperwork completed and fees processed.

In this mailing we are providing you with a great number of forms that must be completed in order for your children to attend on the first day of school.

Sincerely,

Kenneth J. Willers
